

A FORUM OF LEADERSHIP & MANAGEMENT  
IN CARDIOVASCULAR MEDICINE

VIENNA, AUSTRIA  
16-18 JUNE 2016

## Welcome Letter

Modern health care systems across the globe, irrespective of their geography, organisational structure and economic status, aspire to deliver effective, readily available, easily accessible, safe, qualitative and efficient health care services to those in need. Nonetheless, this endeavour has been more challenging than ever before...
